Full job description

Your new company

Our client who specialises in office and education furniture manufacturing is looking for an experienced Credit Controller to join their team on the Sunshine Coast. This is a permanent, full-time position, where the successful individual will work Monday-Friday. Our client is an Australian leading company, who aim to provide innovative and superior furniture designs.

Your new role

As the Credit Controller you will be responsible for managing the debtor's ledger and the timely payment of invoices. The successful individual will be accountable for processing receipts into the accounting system, reconciliation of invoices, the preparation of deposit and pro-forma invoices for clients, following the company polices and procedures, debt collection and the revision of overdue accounts.

What you'll need to succeed

- An Accounting degree or a degree in a finance-related discipline
- Demonstrated experience in a Credit Controller or Accounts Receivable position
