At Goodstart, we're all about laying the foundation for better lives through amazing early learning experiences, and we know that we can't do that without great people!

From our centre directors to centre teams, we work together to make a real difference for children in those crucial early years.

Safety, health, and wellbeing are more than just words to us, they are a personal commitment and a promise we make to our children, our families and each other every day.

We're Goodstart – a not-for-profit with a vision for Australia's children to have the best possible start in life.

Your Impact

As a Senior Educator at Goodstart Cooranbong, you will be a team player, collaborating with the Centre Leadership Team and Educational Leader within your centre to observe, inform and continuously improve our educational programs on offer to children.

You put safety first with everything that you do and ensure all learning experiences are inclusive and response to the needs of all children.

You'll help achieve this by

- Maintaining a safe environment for children, families, and team members.
- Complying with the National Quality Standards and Goodstart policy and procedures.
- Using and implementing the Goodstart Practice Guide to support Senior Educators and Teachers in the delivery of high-quality education programs.
- Building and maintain strong, positive relationships with children and their families.
- Supporting a culture of reflective practice and ongoing continuous improvement.
- Contributing to a professional and positive work culture.

Our Centre

Our centre is in the local community of Cooranbong on the Central Coast, conveniently located on the corner of Martinsville and Government Road, not far from Cooranbong Public School and Cooranbong Fire Brigade.

We educate and care for children between 12 months and six years old. The learning environments at Goodstart Cooranbong are designed with a focus on play-based learning, extending children's risky play and facilitating children's needs and interest.
